

# Set Signal Fee

01 Navigate to **Account**

02 Select **I want to charge a fee** and complete a Signal Application Form

03 Select **Set fee** (NB. option only appears after completing step 01)

04 Select Fee type

05 Set Fee level

06 **Agree and confirm**

- **Performance fee** is a % of any profit made by your copiers
- **Subscription fee** is a fixed monthly value
- A performance fee cannot be greater than 50%
- A subscription has no upper limit
- Both fees are charged directly to the copiers trading accounts
- A performance fee is charged when a profit is made over a High Water Mark
- The App can charge an Admin fee - check with your broker
- Any updates or edits to the fee will only affect future copiers
- Subscription fees are charged in US \$
